

DELTA ALPHA NEWS
CASE TECH
AUGUST 26

Dear Brother,

The Fiftieth Anniversary celebration held at the house this spring turned out very successfully. We had two "oldsters" from the graduating class of 1913 back to celebrate, and one or more from almost every class since then. The Grand Chapter was represented by Rev. Evans, and past Grand Regent Bovard was also present. We are sorry that more of the alumni could not make it because we feel sure that those who did come had a great time.

The main feature of the celebration was the presentation of the Francy memorial plaque to the chapter by the alumni from the classes of 1910-11-12-13. The presentation was made by Sam Hibben from the class of 1913.

I have decided to try a new approach in alumni relations this year to see if they can be improved. At the recent division meeting the thought was expressed that in alumni letters the men would rather hear something about their fellow alumni than news from the actives. To make it possible for me to get this information it will take the co-operation of all the alumni. This has been tried at many schools and has not been successful in most.

One idea that has proven successful is to have a letter written by a different alumnus printed as a part of the regular Delta Alpha News. This would be limited in size to from one-half to one page. This would supplement the regular News which would continue to be sent out. I would like to have your reaction to this idea. Would you have enough interest to make it successful? I would like to try this during the next year to see if we can make it a success. This letter would contain something about yourself that you think your fellow classmates would like to know. Let me know your feelings

on this soon so that I can get a letter out early in the fall. The first letter will be the most difficult because no one will know just what is expected in the letter. So please co-operate and write a letter to me here at the house.

Elections were held in the chapter for next years officers. The following is the list of men that were elected:

Commander----- Wayne Morsfield

Lt. Commander----- Bob Leddon

Treasurer----- Ron Grant

Rushing Chairman-- Dave Patterson

Alumni Contact---- Bill Taylor

Watch the Delta for more on the 50th and let me know your feelings on the News Letter.

Fraternally,

Bill Taylor
