CHAPTER NEWS

The Annual Christmas Formal will be held on Sat., December 21 this year. As last year, it will be at the Lake Forest Country Club in Hudson, Ohio. Last year we had an exceptionally good alumni turn-out at the Formal. There were approximately 25 alumni that returned last year and we are hoping for more this year. There will be a get-together at the house before the dance and we will proceed from there to Hudson.

If on your return to the house for the Formal, you are greeted by 15 strangers, don't be alarmed. This is our fall pledge class. The Chapter finished off a successful rushing season with the top thirteen freshman and two sophomores. We are now looking forward to spring semester rushing.

SPORTS

The Chapter has all ready accumulated more points toward the all sports trophy than we garnered all last year. We finished second to the Phi Deltis in volleyball, but came back to within one point of them by placing third in the ping-pong tournament. We are in the middle of the bowling season now, and basketball has just started.
