CHAPTER NEWS

The White Rose Formal will be held at the Mentor Yatch Country Club on Saturday March 29 this year. We would like to see a good turn-out of alumni for this event. The Christmas Formal was well attended by alumni, as usual. Try to make a visit to the house before the Formal and we will proceed from there to Mentor.

SPORTS

We are currently third in the all sports trophy race. We have a good chance of moving up to second at the close of bowling in two weeks. We are hoping we can maintain this standing through swimming, track, and softball.

RUSHING

We have a spring semester pledge class of 8 freshman. In a special election Don Loidatis was elected pledge marshal, and he is now in the process of making Sigma Nu's out of the men. With the first semester pledge class we totaled about 20 new men which is where we are trying to keep the enrollment.

NEWS FROM ALUMNI

Gordon Burwill "25" writes that he recently visited the Nu Chapter of Sigma Nu at Kansas. He says he would have liked to have been here for the 50th to see his old friends Roy Bovard and George Evans. His address: 8719 High Drive, Kansas City, Mo.

Tom Bowden "56" Tom has received a promotion from Junior Engineer to research engineer in the Cadillac Motor Car

Division of General Motors. Congradulations to Tom and Pat also on the birth of a baby daughter, Karen Patricia, on July 2nd. The Bowdens entertained some of the "56" alumni for the Case-Wayne football game this year.- Their Address: 3677 Beechdale Ave., Detroit 4, Mich.

Walter Buell "09" has retired from technical work and gone into sales engineering. He is in the executive branch as is attested to by the fact that he is the President of two corporations selling construction equipment abroad.

One paragraph I would like to quote from Walt's letter if he doesn't mind:

A few minutes ago--well, actually in October 1957 Sam Hibben broke down and bought me a meal---really because he wanted to hear the end of a story which I started to tell him in 1911. These periodic visits are most pleasant but they do break into a man's business program.

Thats what I call a busy schedule. Walts' address: 643 Hardin Ave., Aurora, Ill.

I have some new addresses:

Clair Anderson "49" Rt. 3, Pataskala, Ohio
Don Berlincourt "49" Morningside Dr., Lake Louise, Chagrin Falls, Ohio
A.P. Nickley "53" 244 John St., Springfield, Ohio
Dave Schafer "51" 22 Delvin Terr., Wilmington, Del.
Don Tompos "52" 1567 N.W. Blvd, Columbus, Ohio
W.A. Gray "53" Kenston Lake Drive, Chagrin Falls, Ohio
C.T. Derr "56" 2505 Cleveland Rd. Wooster, Ohio

I was rather dissappointed in only receiving three letters for this publication. All the letters I received thought the idea was a good one, but I hope that there is a better return for the next letter.

Fraternally,

Bill Taylor
