Cleveland, Ohio

Men of Sigma Nu:

After the welcome rest of an enjoyable summer, the Brothers swung into gear this fall with the initiation of three new Brothers:

Dave Ferguson
Larry Baker
and Chuck Pervo, who were activated on Wednesday, September 27.

The results of rushing were also effective. We acquired ten top pledges this semester - Fred Trenor, Huntington, W. Va.; Pete Pankuch, Chardon, Ohio; John Hurshman, Chardon, Ohio; Jim Householder, Butler, Pa.; Jerry Hummel, Dayton, Ohio; Bill Brockett, Severna Park, Md.; Chris Clark, Park Forest, Ill.; Bob Barnett, Morrow, Ohio; Ken Butze, Parma, Ohio; and Rich Rellick, McIntyre, Pa.

Other information of interest to alumni; Pete Hanley is back in school this year as a Junior. During the past few months five Brothers were married: Don Harris, Don Parmelee, Frank Guenzel, Harry Cook, and Tom Neilsen.

The House acquired two new intramural trophies in handball and tennis due to the excellent work of Gene Beals, Jerry Condren, and Al Burnett.

We have high hopes for the All-Sports Trophy this year. So far, though, our record in volleyball is one and one.

A cheer is in order for Ken Warrick, John Gibboney, and Jim Hunter who have offered their talents to the Case Football Team. Also, Sigma Nu has a small monopoly on the managing end of the team with Managers Jerry Appleton and George Bondor, and Student Trainer Chips Mathewson.

We apologize for the inconvenience of the date set last year for the Christmas Formal. This will not happen again. The tentative date for the Sigma Nu Christmas Formal is Saturday, December 16. More information will be sent when plans are definite. *FRIDAY 22*

The I.F.C. Homecoming Formal has been set for Saturday, October 21, at 9:00 P.M., on campus, in the Sam W. Emerson Field House. The Homecoming game will be played against Theil College at 2:00 P.M. that afternoon.

On Saturday, November 18, after the football game with our old rival, Western Reserve, our annual Parents' Day openhouse will be held at the Fraternity House. It is a fine chance to become re-acquainted with Sigma Nu. The invitation is extended to everyone. We would enjoy having you over.

Fraternally,

George D. Bondor
