October 15, 1964

Dear Alumnus,

This is a year of many changes on the Case campus. It is marked by the move of four fraternities to new houses on Murray Hill and by the decision to have deferred rush of freshmen. Being the first fraternity to move, we will set an example for the freshmen and for the fraternities that follow. Consequently, we must exhibit ourselves as a powerful fraternity with a strong alumni association. Since scholarship is of great importance, much emphasis is being placed on it. Last semester the house average was above the all men's average and ranked fifth among the fraternities. Intramural athletics are also important to our prestige on campus. Of our intramural teams, the volleyball team appears the strongest. The brothers are looking forward to winning the championship again this year.

Since the construction of the new house is nearing completion, we will be moving into it on the proposed date of October 24, 1964. The house which contains forty-eight individual study rooms has been designed for maximum comfort and efficiency. A special invitation is extended to all alumni on October 31, 1964 for Homecoming. This would be an appropriate time for you to tour the house.

The brothers were privileged to have Executive Secretary Richard Fletcher here for a luncheon in September. Brother Fletcher discussed fraternity development and made several suggestions regarding the new house. Mrs. Speed, who will serve as house mother, also attended the luncheon.

The most significant fraternity social function of the year, the Christmas Formal, has been planned for Friday, December 18, 1964. It will take place at the Charterhouse Motor Hotel, 24800 Euclid Avenue, Euclid, Ohio. A buffet will be served at 7:30 p.m. Dancing music will be provided by the Lou Elgart Orchestra. In an effort to encourage alumni attendance at this event, the special alumni price for the buffet is \$4.50 per couple. Reservations can be made by sending a check.

Fraternally yours,
