

DELTA ALPHA OF SIGMA NU
2235 MURRAY HILL ROAD
CLEVELAND, OHIO 44106
721-2500

April 23, 1968

Dear Delta Alpha Alumnus,

The Delta Alpha Alumni Association is planning a re-organization meeting for Sunday afternoon, May 5, 1968. Registration will be held from 2:00 until 2:30 at the fraternity house at 2235 Murray Hill Road. A buffet dinner will be served at 5:00 and the day's activities are expected to end at about 7:30.

In conjunction with this meeting, Delta Alpha Chapter is sponsoring an alumni family get-together! Concurrent with the meeting, a tour of the University Circle area, and indoor and outdoor recreation are planned for the wives and children.

In an organizational meeting held on March 17 three committees were established to lay the groundwork for the May 5 meeting. The committees are as follows:

- Delbert K. (582)* 1) By-laws -- *amy R. 429* H. Calsing (chairman), B. Thompson, K. Butze → *ernard F. (655)*
2) Newsletter -- *John A. (661)* D. Kitzel (chairman), A. Gutheim, → *Kenneth P. (614)*
3) Finances -- *John A. (661)* W. Pritts (chairman) → *Ed. P. (392)*
William E. II (558)

These committees will present reports and recommendations which will be the main business for the meeting.

Alumni in the Cleveland area received a separate mailing on March 26 concerning the meeting to be held May 5. While the response has been encouraging, we would like to remind everyone that we must receive the reply cards within the next week or so in order to plan for food and recreation. Alumni who have misplaced the cards, or those who were not included in the original mailing and would like to attend the festivities can make "reservations" by calling or writing Joe Craig or Terry Voress at 721-2500.

All of the brothers of Delta Alpha are looking forward to joining our alumni and their families for an afternoon of fellowship and brotherhood. We'll see you May 5th.

Chapter News:

Once again Delta Alpha led the fraternities in scholarship with a grade point average of 2.80. The Sigma Nu swim team put on a fine showing and took third place while setting records in the shuttle and 200 yard free-style relays. More News:

In the near future we are looking forward to the 1968 Mock Political Convention to be held on May 9, 10, and 11. Delta Alpha will represent Michigan and Virginia, and the convention will be chaired by Brother John Shields.

The entire chapter will also be participating in the annual IFC service project, and the pledge class, in addition to building a barbeque pit on the hill behind the house, will be conducting their own service project.

Delta Alpha's new chapter advisor is Dr. Thomas P. Kicher. Dr. Kicher graduated from Case in 1959 and is an Assistant Professor in the Engineering Design Center. He replaces Dr. Charles Smith (DA 228) who is now in the Physics Department of the University of North Carolina at Chapel Hill.

Alumni News:

Because the formal dance sponsored by the IFC in conjunction with the Mock Political Convention will be a major event for the chapter in May, Delta Alpha will not hold its annual White Rose Formal. Instead, an all day outing and party is planned for May 25 at Valleyview Lake Park in Medina. Lunch and dinner will be served and reservations may be made through Ted Weisbruch at the fraternity house.

The brothers of Delta Alpha wish to thank you for helping in the purchase of a new pool table. The house corporation and the collegiate chapter split the cost of a new slate base table that has been keeping many of us from our studies for several months.

Newsletter:

We are now looking into the possibility of revising the format of this newsletter to include more news of interest to our alumni and special features. We would like to have your comments, suggestions, news, contributions, and anything you think would make this newsletter one that you would look forward to receiving.

Lost Alumni:

There are now 29 alumni who do not receive the newsletter or the Delta because they have neglected to notify us of their new addresses. If you have any information as to their whereabouts, even a last known address, employer, or city, please pass this information on to Delta Alpha as soon as possible. We would also remind you to give us notice of your change of address so that we may keep our files up to date and your Delta delivery on time. We may also be able to furnish you with the addresses of your friends that have been lost.
