10 New Candidates For Delta Alpha Chapter

From the Rush Chairman Alan Heskin

The Fall Rush of 1991 was very successful giving us a final sum of 10 candidates (editors note: at the 1990 Grand Chapter the word PLEDGE had been changed to CANDIDATE) for a total of 31 members. These men are: Shawn Cornelius, Dave Ferrance, Dan Houke, Chris Kiehl, Marty Linnenweber, Nick Macron, Rob McCracken, Ilan Orgad, Susumu Saito, Chris Watson. We are proud to welcome them into Sigma Nu.

The chapter is relearning the techniques of rush quite well since the reorganization. A full rush calendar was planned which went fairly smooth, but as in the past, we found our best success came from one-on-one informal events. Last years great innovation was Cafe Sigma Nu, which proved very successful once again. Thanks to all the alumni who showed up. This years great innovation was the game board ("You have to know the names to play the game"). The pictures of freshmen rushees were pasted on a board and different color pins were put around each picture to represent their status.

We will be working on our Spring Rush calendar in the next few weeks. If alumni have any ideas or wish to sponsor a special event, feel free to contact the chapter (216-721-2500). We have a great candidate class and were looking forward to a good year.

From the Marshal Vin Tangpricha

The Candidate Program of Delta Alpha for this fall is alive and kicking. This semester we are taking a break from the LEAD program. In the place of LEAD, we are using a more traditional pledge program. The program has been flowing smoothly with ten new candidates seeking knighthood in Sigma Nu. The following men seek full membership in Sigma Nu:

Shawn Cornelius is from Rocklin, CA. One of his interests is soccer. Shawn visited Sigma Nu in the previous spring as a "Friday Freshman". Shawn is currently the Candidate Class recorder and philanthropy chairman.

David Ferrance resides in Providence, RI. His interests include Biking and Cross Country. Dave was a "Friday Freshman" during the Sigma Nu Maze party last year. He currently holds the position of treasurer of the candidate class.

Daniel Houck is from Liverpool, OH. He plans to play varsity Basketball for CWRU. Dan also happened to be a "Friday Freshman" from last semester. He is planning to fix up his room at the house for his future move-in.

Chris Kiehl lives in Pittsburgh, PA. He plays on the Hockey Club team at Case. Chris is a die-hard Pittsburgh fan. Currently, he holds the position of vice-president of his candidate class.

Martin Linnenweber is from St. Louis, MO. One of his interests includes Cross Country.

He is currently the Candidate Class Project Chairman. Marty has plans for the second floor to be the "party" floor.

Robert McCracken is from Cameron, WV. He likes to listen to heavy metal as well as playing his guitar. Rob recently went to the CWRU "Battle of the Bands" and thinks one of the bands was "robbed". Rob serves as the Candidate Class social chairman.

Nick Macron is from the westside of Cleveland. Nick likes listening to music and going out to parties. He likes to cruise around Cleveland in his brand new sports car (well, not exactly).

Ilan Orgad is from Baton Rouge, LA. He plays varsity tennis at CWRU. He cheers for the New Orleans Saints. Ilan is originally from Romania where he lived in his early years.

Susumu Saito is from Tokyo, Japan. Susumu like Ilan plays on the varsity tennis team at CWRU. Susumu is an avid music lover and plays the piano.

Christopher Watson is from Mayfield, OH. He plans to be on the varsity basketball team for CWRU. He currently serves as the Candidate Class President and participates in the Young Greeks Involvement League, which is a seminar for young leaders.

The dates for the Brothering Ceremony and the Knighting Ceremony have not been set yet; however, if you are interested in attending any of these ceremonies, please contact Ken Miller, the Alumni recorder, for updated information.

House Corp. Report

House corporation officers are finally getting to the light at the end of the tunnel. Jim Gero and Randy Simon have recently finished their audit of the books. From their audit it was discovered that Langenhop owes the H.C. additional funds.

A letter was drafted to Bill and his attorney stating the house corp. findings and a request for additional information. As of the date of printing, no reply has yet been received. We hope that his response will clear up several points that are as yet unclear.

We are also still trying to find out several items from the University. Perhaps the highest on our agenda is how the University has billed us for utilities. It is unclear how the University has come up with some of their numbers, and they have had a hard time explaining them. A meeting has been set up with University officials, David Parham and Mike Jaszczak. We hope to iron out the University's billings at the meeting (mid Nov.) A report should be made to the Alumni Chapter at its meeting on Nov. 23 at 4:00p.m. (followed by the Annual Thanksgiving Dinner). We also hope to find out about the chapter house phone conversion to the University's ACUS (centrex) phone system at the meeting with university officials.

The Alumni Chapter officers wish to thank the brothers who have paid the 1991-92 chapter dues. Dues keep the Alumni Chapter running and allow us to print newsletters like this one. In the future we hope to have two newsletters a year. This can only be possible with your support. We especially thank those brothers who contributed more than the \$10 dues.
