The Newsletter of Delta Alpha and Delta Zeta Chapters of Sigma Nu International Fraternity

July, 1993

## FROM THE NEW WORTHY COMMANDER

would like to take this opportunity to introduce myself. I am Ken Miller, DA1015, and in May, I was elected Worthy Commander of the A/DZ of SN Alumni Chapter. During my time as Worthy Commander, I would like to see a greater involvement by alumni in the alumni chapter. Two important ways of increasing alumni involvement, as I see it, are to improve communications within the alumni chapter and to provide a variety of alumni/active events throughout the year.

In order to improve communications, a newsletter will be published twice a year. These newsletters will help to better inform alumni of what has been happening with the alumni and active chapters, to remind alumni of upcoming events, and to provide alumni news to other alumni. Another way of improving communications is the implementation of a phone tree.

This would allow for a quick way of alerting alumni of important news. If you would be interested in becoming part of this phone tree, contact me at 412/421-5314 or Felix Ma at 216/397-7723.

The next alumni chapter meeting will be held at 4:30PM (directly after a 4:00 PM Housing Corporation meeting) on September 11 at the chapter house. After the chapter meeting, the active chapter will be sponsoring Cafe Sigma Nu which is the last big event of Fall Rush '93. I encourage all alumni to attend these two events, since it will provide the perfect opportunity to meet the actives and to discuss Sigma Nu with interest rushees. The ΔA/ΔZ alumni chapter is also planning an outing to a Cleveland Indians' game against the Boston Red Sox on September 12. For further information on this event, see the announcement in this newsletter. The annual Thanksgiv-

ing alumni chapter meeting/dinner at the chapter house will be November 20 at 4:00 PM. Details about the Thanksgiving dinner will be discussed at the September meeting. If you have any suggestions or comments on possible events, contact Chros Cheyer at 216/397-7723.

I encourage everyone to send in their alumni chapter dues (\$10) for the upcoming year. Without these dues, it will be difficult to publish a newsletter twice a year and to sponsor a variety of alumni/active events. If you have any questions or suggestions or would like to discuss how you can become more involved in the ΔA/ΔZ of ΣN alumni chapter, I'd be happy to hear from you at 412/421-5314.

Fraternally,  
*Ken Miller*

### Next Alumni Meeting

**September 11, at 4:30pm  
At the Chapterhouse**

Following the meeting, Cafe Sigma Nu (final fall rush event) will take place at 9:00pm. Hope you will be able to attend – your attendance at both events will be greatly appreciated.

During the spring semester of 1993 the brothers of Sigma Nu actively pursued many goals. These goals were set during a goal setting retreat at the house early in the semester. The brothers spent the afternoon brainstorming for goals the house could work toward. The meeting was facilitated by the newly elected eminent commander, Shawn Cornelius. When the evening arrived, our brains in need of release after a day of heavy use, the first annual House Unity Party began. Male bonding (except for a few select females) among the brothers proved fun and relaxing.

There were two major parties this semester, Fluorescent Outrageousness and the end of the year Quad Party. Wall hangings in bright colors along with black lights set the stage for an evening of dancing and partying in Fluorescent darkness. The Quad Party, despite a lower turnout from the previous year, was still a successful party. Outside socializing with guests and listening to the band or making trips to the fun room for orange whip were some of the activities the brothers took place in. These two parties and several other spontaneous bashes highlighted the social calendar.

The Multiple Sclerosis Society sent their thanks by giving the house several red and white bandanas. The M.S. Walk, an event to raise money for the charity, found the brothers useful in unloading supplies, setting up tables and pointing participants in the right direction. GOOD WORK MEN.

Chapter business concluded this semester with the brothing of candidates Jim Madigan and Shinske Muko. These strong candidates have now stepped on the road to knighthood. Sigma Nu at CWRU graduated three knights this spring. During the

final chapter meeting these three knights: Felix Ma, Scott Lanterman and Dave Bastarvos, renewed their vows as knights. May they live by the ideals of Love, Truth and Honor as they were taught in Sigma Nu.

Look forward to news about the alumni-active dinner scheduled this

fall. Special thanks to Shawn Cornelius and Michael Jaszczak in helping prepare this news letter. The house may be contacted at (216) 754-2333.

### DELTA ALPHA OF SIGMA NU SCHOLARSHIP CAMPAIGN

**Mission:**

During the 1992-1993 academic year, the Delta Alpha/Delta Zeta Alumni Chapter of Sigma Nu Fraternity is initiating a fund-raising campaign to benefit the undergraduate members of the Delta Alpha Sigma Nu Chapter at Western Reserve University. The alumni desire to continue their strong history of philanthropic generosity to the local active chapter, while ensuring that the scholarship benefits continue to meet the needs of our undergraduates, and follow the expectations set forth by the International Fraternity. The alumni chapter believes that the increased scholarships/awards will help make the chapter more competitive during rush.

**Goal:**

Our campaign strives to substantially increase the current endowment used exclusively for scholastic financial awards. Our goal is to raise a minimum of \$75,000 during the next five years from financial pledges made by alumni and friends of the Delta Alpha chapter. While the cost of both higher education and fees required by the International Fraternity have risen dramatically over the past 10 years, the scholarship award amounts from the alumni Chapter to the Active Chapter have remained static.
