

SIGMA NU FRATERNITY: ALUMNI NEWSLETTER FALL 1995

DELTA ALPHA CHAPTER

A Note from the Commander

The fall semester is off to a tremendous start. Rush has set the tempo with the addition of nine strong candidates. In a semester where the entire Greek system fared poorly in Rush, we are thrilled with our strong performance and have high expectations for the next semester as well. The Greek system is changing at Case with IFC granting full-member status to the Sigma Phi Epsilon colony. In addition, Alpha Epsilon Pi is attempting to establish a colony. Despite the increase in the number of fraternities, the Greek system's overall membership has declined by about 100 since last semester.

All of the hard work put into improving the condition of the House has dramatically changed its appearance. Recent achievements include the installation of dartboard and hanging TV on the main floor, and the replacement of the old kitchen and dining room cabinetry. The tremendous improvement in the condition of the House is reflected in every Brother's attitude and enthusiasm.

With the strong push from National in the last few months for Chapters to become completely substance free, the Brothers have decided to hold the annual Maze Party as a completely dry event instead of BYOB. A mixer with Alpha Phi sorority, the Thanksgiving AAC dinner, the Christmas party and the candidate party will continue the string of successful social events this semester. As a result of the strong performance in Rush, Intramurals, and social events recently, the Chapter is enthusiastic about the upcoming year and has set high expectations for itself. I look forward to seeing and hearing from many Alumni in the near future. I wish you all the best.

Fraternally,

Daniel P. Sanders
